Gross Tithe Rent Charge 328 16 11¼

Corresponding exactly with the list here given. The assessment of Tithe rent Charge was I have no doubt made from the applotment book in the registry office Cork and has been always acted upon in collecting the rent Charge.

✗ Mrs Loyd when applied to for her rent Charge said it was £3 per annum instead of £2 17 8 and paid accordingly. I think however from the above calculation that she is wrong and that her Charge should only be £2 17 8.

Having within the last few days recovered the applotment books and Certificate intended for the Incumbents of the parish, I find that there is a Statement of rent Charge made at page 17, I suppose by the late Revd R G Hudson Dean of Armagh and formerly Curate of Ardnageehy but have no authority to say who made the calculation therein.

In it Mr Hydes Charge is given as £54 10 3 and ½ Campagn Common Messrs Nagle & Newman at £1 17 4 these two items I should think are now united and make Mr Hydes present rent Charge £56 7 7.

Viscount Middleton has no property in the parish his rent Charge as given at £36 5 3 and corresponds with that paid now by the Representatives of Colin Carmichael Esqr. Henry M Smyth Esqr has now no property in the parish it is put down as £58 14 4 and is as I suppose now paid by Mr Anderson £32 10 5, Revd Mr Delacour £23 10 5, and Mrs Loyd £2 17 8, making in all £58 18 6

Now I find in Folio 15 of applotment Book; Ploughland Bishops Below this observation with regard to a Sum of 6/8 payable on 4 acres 3 roods of land by Mulcahy & Connell. "This land having been afterwards ascertained "to be not in the parish of Ardnageehy, where the mistake could not "be rectified reduces the Composition to £438 2 7 & rent Charge "to £328 12 0" now it would appear that in the actual collection of the rent Charge this reduction was never made. for 6/8 Composition being 5 per cent Charge if taken from £328 17 0 now paid will exactly make £328 12 0 I do not know on whose authority this observation is made it is not in the Cork registry books. This deduction must have been taken from the rent Charge payable by Henry M Smyth and if added to it will make his rent Charge £58 19 4 closely corresponding with that paid now by Messrs Anderson Delacour & Mrs Loyd £58 18 6
