We have according to the directions of the Statute caused a Survey to be made of all the whole on each person's holding and deducted the same from his gross number of Acres. We find that the whole of the Nett number of Acres subject to Tithe Land on which the Composition is to be laid is 667 R 0 P 37 and the sum to be applotted on the same is 190 Sterling and that one moiety of said sum is payable to the Rev John Read Incumbent of Clondalkin and the other moiety payable to the Rev Robert Packenham Lessor to the late Rev Patrick Sands in lieu of all Tithes arising out of said lands we have applotted the above sum on all lands liable to Tithes equally in proportion to their value according to the best of our ability and skill we have divided the land into seven several and distinct Classes as set forth on the other side
