and deducted the same from his gross number of Acres. We find that the whole of the Nett number of Acres subject to pay Tithes to the Impropriator of said Parish of Ballyboggan on which the Composition is to be raised is 3371 : 3 : 32 plantation Measure and the sum to be applotted on the said 3371 : 3 : 32 is Two hundred and Twenty Pounds Sterling and is payable to the Representatives of the late Sir Duke Giffard Baronet deceased as lay Impropriator. We have also according to the directions of said Act applotted the above Sum on all the Lands subject to pay Tithes in said Parish of Ballyboggan equally in proportion to their soils qualities and Value according to the best of our skill and ability. We have also divided the Land into ten Several and distinct Classes in the following manner
