Parish each and every year. And Whereas the said Rev William Henry Nason the present Impropriator of said Parish made application in writing to the Justices of the Peace at the Quarter Sessions above mentioned to have the average price of Oats being the grain in said Certificate mentioned for the preceding Seven years in pursuance of the Statutes in that behalf enquired of and ascertained in order that the said Composition for Tithes and the Tithe rent charge in lieu thereof might be increased according to such Average price as Compared with the Average price of Eight Shillings and nine pence per Barrel being the price of Oats set forth in said Certificate.

And Whereas the said Applicant having appeared in person and by his Agent before the said Justices at such Quarter Sessions and the said Notices of application and Certificate and the Title of the applicant and the Average price of oats as advertized in the Dublin Gazette for the said period of Seven years having been proved.

Now the said Justices do ascertain from the said Gazette that the average price of oats for the said period of Seven years immediately preceding the date hereof is Fourteen shillings and Eleven pence half penny sterling for each Barrel of fourteen stone. And the said Justices do accordingly order and adjust that the amount of said Composition in said Parish for the said Impropriate Tithes and the Rent Charge payable in lieu thereof shall be increased in proportion to the difference between the said average price of Fourteen shillings and Eleven pence half penny sterling for the period of Seven years and the average price of Eight shillings and nine pence stated in the Certificate of the Composition. And the said Justices do further order that the apportionment of such Composition shall be Amended and Increased accordingly And that the said Increase shall take effect from the First day of November one thousand Eight Hundred and Seventy two.
