I. Henry Laws. Penny of the Royal Engineers, Commissioner duly appointed and sworn, under and by virtue of an Act made in the Second and Third Year of the Reign of King William the Fourth, (intituleated an Act to amend three Acts passed respectively in the fourth, fifth, and the Seventh and eighth years of the Reign of His Late Majesty King George the Fourth, providing for the establishing of Compositions for tithes in Ireland, and to make such Compositions permanent.) to ascertain and fix a true and just composition for all tithes, arising, growing, yielded or payable, within the Parish of Chapelizod in the County of Dublin, do hereby certify that the true and just amount of Composition for all tithes whatever within the Said Parish, is One Pound, Nineteen Shillings, and five Pence Halfpenny by the Year, which Sum of One Pound, Nineteen Shillings and Five Pence Halfpenny, is due to the Revd Mr. Lawson as a composition for the tithes claimable by him, as Rector of the Said Parish;

And I do further certify that the average price of Wheat, being the Corn principally grown in Such County for the period of Seven Years ending on the 1st Day of November 1830, is One Pound, Twelve Shillings and a Halfpenny (£ 1 - 12 - 0½) Per Barrel —

H. L. Penny. R. E
Tithe-Commissioner for the Parish of Chapelizod

Thursday. 24th October 1833
