We have according to the direction of the Statute caused a Survey to be made of all the whole on each persons holding and deducted the same from his gross number of acres. We find that the whole of the total number of acres subject to Tithe and on which the Composition is to be raised is 187 R 0 P 37 and the sum to be apportioned on the same is 190 Sterling and that one moiety of said sum is payable to the Rev John Read Incumbent of Clondalkin and the other moiety payable to the Rev Robert Parkenham Successor to the late Rev Patrick Sands in lieu of all tithes arising out of said lands we have apportioned the above sum on all lands subject to tithes equally in proportion to the value according to the best of our ability and skill we have divided the land into seven general land distinct classes as set forth on the other side
