My Lord

I have the honor to inform you that the meeting of the Special Vestry under the tithe composition act took place at Donoughmore this day, that in consequence the Parishioners have chosen their commissioner, and I have appointed William P. Higgins to act as of Castlemaddy in said Parish for mine, of which appointment I request your Graces approval and shall be thankful for an answer as soon as convenient directed to Kellistown Co. Carlow.

I remain

Your Graces most obed.

and faithful Servt
