or diminished accordingly. And Whereas the said Applicants having appeared by their Solicitor and The most Noble Arthur W. J. W. Blundell Trumbull Hill Marquess of Downshire Lay Impropriator of the said Parish having also appeared by his Counsel and Solicitor before the Justices at such Quarter Sessions and the due service and posting of the notices required by the said Statutes in that behalf and the signatures of the said owners thereto respectively having been duly proved and on reading a certified copy of The Certificate of composition certified by the proper officer of the Irish Land Commission for all Tithes within the said Parish bearing date the 29th day of October 1825 and also a certified extract from the Dublin Gazette for the seven years now last preceding which the Solicitor for the said Lay Impropriator consented in Open Court should be received in Evidence as due proof of the contents of the said Gazette without production of originals of same.

And Whereas it appears from the said certificate of composition that the average price of oats being the corn principally grown in the said King's County for the period of seven years preceding the 1st day of November 1821, being the period in reference whereto the said composition was calculated is the sum of 15s/1/2d sterling per barrell of 14 stones and and the average price of oats for the period of seven years next preceding the said Application as ascertained from the said Dublin Gazette is the sum of 11s/3d sterling per barrell of 14 stones being less by more than one tenth than the average price for the said first mentioned period

Now It is accordingly ordered and adjudged that the Annual Rent charge in lieu of composition for all Tithes within the said Parish of Drumcullen in the King's County shall be diminished in such manner and to such extent that the amount of such composition payable for and during the seven
