Dear Sir

We have to thank you for your letter of the 7th inst with particulars of rent charges but still the amount does not agree =

By your return to us Kilnacrew is in the Parish of Dunmoon & the rent charge is £8 = 1 = 4 gross

By your return to Mr Battersby Kilnacrew is in Knocktide & the rent charge £9 = 12 = 6½

If you could explain how the difference arises & what is the proper sum to be paid by Lord Greville out of Kilnacrew we would feel greatly obliged, the sum is so small between us. We have no desire to involve Lord Greville in litigation tho' at the same time we must see that he is only paying his proper proportion

An answer will confer a favor on

Yours faithfully

N. D. Galloway
