Sterling per Annum

I John Boyd Commissioner for the Composition of the Tithes of the Parish of Inch, Diocese of Derry and County of Donegal do Certify that the sum of One Hundred and two pounds three Shillings and two pence Sterling per annum is the just amount of the Composition for Tithes in said Parish as duly ascertained and fixed according to the provisions of the Act of 2nd and 3rd William 4th Chapter 119. And I further Certify that in applotting said sum on said Parish I have to the best of my ability acted faithfully and impartially, and that I have not incurred any expence which was not strictly necessary to the proper discharge of my duty. And I further Certify that the Grain principally grown in said Parish is Oats, and that I have duly ascertained the average price thereof as published in the Dublin Gazette for the Seven years ending immediately preceding the first November 1830, and that the average price of Oats during said Seven years was Thirteen Shillings and three pence three farthings per Barrel. Signed this Third day of April 1837
