In the Report it is stated by the Lord Bishop that he considers the income of the proposed Union to be only sufficient to support a resident Clergyman, subject as he must be to House rent; and that for the foregoing and other reasons not specified he considers an Episcopal Union of the six Parishes proper and desirable.

We have ascertained by a communication from the Reverend John F. Crampton, Registrar of the Diocese of Clonfert and Kilmacduagh bearing date the 4th May 1858, and from other sources, that the Parishes of Kilconickny and Kickeing form part of the Union of Kilconickny, and as such are now in the incumbency of the Reverend Robert Graham the Spiritual Vicar thereof, but that portions of the Rectorial Tithe Rent Charge of both Parishes have been appropriated to the Benefice of Longhrea. We have also had before us the Plan of the Parishes constituting the proposed Union as annexed to His Lordship's Report pursuant to the 11th and 12th Victoria chapter 41, section 2 and having duly considered the said several matters and things we respectfully offer to Your Excellency and Lordships the following as our suggestion and recommendation.

We conceive that in administering the affairs of the Established Church it becomes the duty of Your Excellency and Lordships to see that as far as practicable the opportunity of Religious Worship and instruction shall be accessible to all persons wherevever they may be resident in this country. Now the total extent of the four adjacent Parishes of Longhrea Killeskill Killeenadeema and Kilreekle (throughout which it is proposed the Incumbent shall have the Cure of Souls) is about 20 Miles in length by 5 Miles in breadth or 100 Square Miles in all. a territory as it seems to us far too great for the spiritual labors of any one person.

The Emoluments as set forth in the Lord Bishop's Report may, we think, be advantageously divided so as to supply a decent maintenance for two Clergymen and we venture to suggest the following as a plan by which that might be carried out and two Unions thus arranged—

No 1	Longhrea.	£117 . 13 . 9
	Kilreekle	37 . 10 . 0
	Kilconickny & Rent Charge	97 . 11 . 6
	Total	£252 . 14 . 9

No 2.	Killeskill	£46 . 13 . 3
	Killeenadeema	115 . 8 . 3
	Rent of Glebe	18 . 17 . 0
	Kickeing & Rent Charge	13 . 3 . 6
	Total	£194 . 2 . 0

It is no doubt true that in the suggested Union No 1 there would be no Glebe House and in the suggested Union No 2 there would at present be neither Church or Glebe House; but, without resting much on the absence of Glebe Houses, for which a substitute may perhaps be found without much difficulty, We would offer it as our humble opinion that the want of a Church though no doubt a very serious
