applotment as therein particularly and in the Schedule to this order mentioned which said applotment was afterwards duly entered in the Registry of said Diocese

**and Whereas** the Reverend William Warburton Dean of Elphin was duly appointed and inducted to the Rectory of said Parish prior to the Thirty first of May last and thereupon became and now is the Lawful Rector and Ecclesiastical Incumbent thereof.

**and Whereas** all compositions for tithes have been abolished and there were by law substituted therefor annual Rentcharges amounting to three fourth of the amount of such compositions and the applotments thereunder respectively

**and Whereas** the said Reverend William Warburton as such Rector and Ecclesiastical Incumbent of the said Parish made application in writing pursuant to the several statutes in that case made and provided to the Justices of the Peace at the Quarter Sessions of the County of Roscommon holden for the Boyle Division of the said County (in which the said Parish is situate) at Boyle on this the Eleventh day of October one thousand eight hundred and sixty seven to have the average price of corn for the seven years next preceding inquired of and ascertained in order that the afore mentioned sum of one hundred pounds two shillings per annum being the amount of Composition for all tithes in and for the said Parish made as aforesaid as mentioned in the firstly recited Certificate and the annual rentcharges by law established in lieu thereof might be varied and increased for the ensuing seven years in proportion to the average price of Corn as advertised in the Dublin Gazette during the period of seven years immediately preceding the said sessions

**and Whereas** the Chairman and Justices of the peace of the said County of Roscommon assembled at the said Quarter Sessions on the day aforesaid having been satisfied that due notice of such application had been duly given and posted as by law required accordingly heard and considered the matter of such application and enquired of the average price of Corn for the period of Seven years next preceding ascertained and determined that the average price of Corn as advertised in the Dublin Gazette during such period of seven years immediately preceding the said sessions amounted to the sum of Thirteen shillings and six pence per barrell of fourteen stone.

**It is hereby ordered** by the Court that the said sum of one hundred pounds two shillings per annum being the amount of Composition for all tithes so made by said Commissioners in and for the said Parish of Ogula or the rentcharges by law established in lieu thereof shall be increased for the ensuing period of seven years in such manner and to such extent that the amount of such (m composition or the annual rentcharges established in lieu thereof payable for and during the next ensuing seven years shall bear the like proportion to the amount of the Composition so set forth in said original Certificate as the average price of oats so hereby ascertained shall bear to the price thereof set forth in such original Certificate that is to say in the proportion of Thirteen shillings and six pence to nine shillings and six pence of the late Irish Currency and that the assessment and applotment of such Composition or the rent charges in lieu thereof shall be increased in the like proportions as particularly set forth in the Schedule to this order annexed.

Dated at Boyle this Eleventh day of October in the year one thousand eight hundred and sixty seven.

present

Chairman

## Schedule referred to in the foregoing order

| | Denominations | acreable Contents Irish plantation measure as per the said applotment | annual amount of Composition for tithes as applotted | amount of rentcharges in lieu of said Composition | amount of rentcharges in lieu of Composition as increased by the said order |
