Clara Glebe 14th Nov. 1825

Sir,

In the performance of my duty as a Tithe Commissioner for the Parish of Rahan I wrote to you on the 27th of October last to request that you would be so good as to give me an Assent in a particular Form for that Parish which you had given to Mr Acres in a general Form for all the Parishes in the Union of Tercall – As I have not yet any answer to my letter I conclude that it has in some way miscarried perhaps by my directing it to Portarlington whereas as well as I recollect my former letter was directed to Mountmellick – You will oblige me much by intimating your Assent on the Part of Mr Charles Coote as Patron of the Union of Tercall to an Agreement entered into by the Revd Thomas Kemmis at a Special Vestry held in the Church of Rahan on Friday the 17th of June 1825 to establish a Composition for the Vicarial Tithes of the Parish of Rahan at the Amount of Seventy Seven Pounds eight Shillings and nine pence per Annum for twenty one years

I remain Sir your obedient Servant

To Charles L Sandes Esq Melton Griffen
