We Thomas John Coppinger and William Howard Bolland Commissioners duly appointed and sworn under and by virtue of an Act made in the fourth year of the Reign of King George the fourth intituled An Act to provide for the establishing of composition for Tithes in Ireland for a limited time to ascertain and fix a true and just composition for all Tithes arising growing yielded or payable within that part of the parish of Aghis in the County of Cork on which Philip Crosbie Esq.re is entitled to two thirds of Tithes, do hereby certify that the true and just amount of composition for the said two thirds of Tithes amounts to one hundred and Sixty five pounds by the year being the average lettings for the seven years specified by the said Act together with one fifth of the said lettings which we the Commissioners think proper to add in consequence of a dispute which did exist respecting Mr. Crosbie's Title and which Title has been lately established, and which dispute did occasion the said tithes to be let under their value. And we do further certify that the average price of Wheat being the Corn principally grown in such County for the period of Seven years ending on the first day of November one thousand eight hundred and twenty one is one pound eighteen shillings and eight pence half penny p barrel.
