a further 1/2 lb calculated on the rent would reduce the sum 2.16.1 less than the composition  
 a half farthing less calculated on the rent would reduce the sum 1.8.0 less than the composition  
 One penny in the £ from the amount of each years composition would reduce the composition 5/ under 4.25.  
 Three farthings in the £ reduced from the amount of the composition would make 3/2 less than the composition

finished  
 April 9 - 1827
