

Some Compositions are subject to a triennial & others to a septennial variation in the amount. The variation will depend upon the average price of corn (wheat or oats) mentioned in the certificate of the composition -

Every composition established before 17 June 1824 is subject to be altered by the justices at the Quarter Sessions upon an application made to them either by the Tithe owner or payer between the 1<sup>st</sup> of May & 15<sup>th</sup> of Oct<sup>r</sup> in each 3<sup>d</sup> year after the establishment of the composition the justices ascertain the average price of a Banel of good wheat or oats for 3 years preceding the application & value accordingly -

Compositions established after the 17<sup>th</sup> of June 1824 are subject to septennial variations in same way as former, unless at time of entering into the composition the parties had agreed that it should continue invariable after 21 years - Every variation whether triennial or septennial is to be effected by application to the justices in the manner prescribed by Galton's act -

Every composition established after 16 Aug<sup>r</sup> 1832 is subject to septennial variation -
