

The Rectorial tithes of Ecclestone Pyms
and Hugh Cook having been heretofore included
in the Rent when the farms were set we
were obliged to state the amount of composition
to be paid to Edw. Bazel Esq. at the yearly
amount of ten pounds three shillings and
two pence taken from the value of their
Land - and if since we could not afford more
than that amount for the proportion
of the Rectorial tithes, this accounts
for their not being added in the same
proportion of the others

Given under our Hands
