

the last charge & that on the
service of notice they all
paid, but that afterwards
his father did not look
after that them, & that they
ceased to pay - This
letter & book Mr Baillie
sent to the Commissioners
office. So if you have not
got them they will no doubt
be found on Enquiry -
There is no doubt the holders
of the land paid within
30 years before Mr Baillie's
proceedings, but we fear

he could not prove this -
Mr Dickie's proceedings did
not as we recollect go past
a reference to the Master.
We can from looking up
his old books give you the
dates ^{of the proceedings} if you require it,
but we have not any
papers in the Court -
Yrs very truly
