Sir

In reply to yours of the 8th Inst^l
I beg leave to state, that both
Certificate and apptment were of the
late currency, the same as Mr Maguire
portion done in 1824 or 1825, and as
to the few shillings surplus its only
a fractional part of each person's amt.
So you may rely on it both are correct, as
we think they should agree with the
first apptment,

I have the honor to be
Mr Maguire Esq Sir yr's obt^l Serv^t
