a pound & you for Registering it

Fattass July 27<sup>th</sup> 1833 -

Dear Sir,  
Herewith send you two Little  
Certificates which you will oblige me by  
examining and let me know whether  
you think them correct -

I also send you enclosed a  
25-note out of which I keep £3- as I  
intend paying another Certificate  
for the parish of Kilmamagh in a  
few days and would this day  
if I knew in what respect Mr. Putter,  
Mr. Young, and Lord Lorton, claim  
their Little in that parish, whether  
as owners of the Natural Little, or as  
Improvements - If you could supply  
me with this information particu-  
larly it would enable me to lay the  
Certificates on Monday
