

And in order to make out the sum of Six hundred and seventy five Pounds British Currency which we have Certified to be the amount of Composition to be paid out of the said Parish to the Incumbent for and in lieu of the Tithes to which said Incumbent is entitled.

We do hereby applot and assess the following sums on said Parish to be paid as follows viz.

For and out of every ^{each} Acre of the first Class aforesaid, the sum of Four shillings and five pence and the one eighth part of one penny.

For and out of every Acre of the second Class Three shillings and sixpence halfpenny. -

For and out every Acre of the third Class Two shillings and seven pence and seven eighth parts of one penny. For and out of every Acre of the fourth class One shilling and ninepence farthing. For and out of every Acre of the fifth Class. Ten pence and the five-

eighth parts of one penny. For and out of every Acre of the Sixth Class Two pence and the one eighth part of one penny. and For and out of every Acre of the Seventh class one penny and the one sixteenth part of one penny, with an addition on each rate of the foregoing classes in the proportion of one halfpenny to every Pound so assessed.

The following Valuation and Survey of said Parish points out its several Divisions and Denominations, with their respective Value and Assessment. Given under our hands this 19th day of December 1826
