

Co of Wiltshire
to wit

I And. Dwyer do swear that I am possessed
of Leasehold Estates for lives, which are together
of the annual Value of One Hundred Pounds Sterling situate
lying and being at Dollardstown and Grange Nolwin in the
Co of Wiltshire, that such Estates are bona fide my own property
above my present just debts. So help my God

And. Dwyer

Sworn before me this 8th day
August 1828
