We the undersigned Commissioners of the Parish of Killermogh having met this day proceeded to view the Lands in said Parish and we find from personal inspection that they consist of arable Pasturage and a very small quantity of Moor and we find so little variation in the Quality of the Land that we think it just and equitable under all circumstances to ratify the agreement entered into by the Parishioners with the Incumbent which has been laid before us. We do therefore by virtue of the Powers vested in us by the title act hereby Assess and Approl the above ^{acres R. Pence} 1401:2:23 to be chargeable with the annual sum of £152:16:10 being at the rate of 2:2³/₄ by the acre and so in proportion for a lesser quantity - January 9th 1824 four
