

And we do further certify that the average amount
of such letters for the term of seven years preceding
the 1st of November 1821 is $\pounds 288.5.8$ and we have
hereby added the sum of $\pounds 18.14.4$ to such average
by which such composition is so much increased
beyond such average amount and the grounds
and reasons for our adding such sum is to make
up the deficiency that would be on the different
townlands in this Parish that are allotted to
support the Curate of Clonsilla.

And we do further certify
that the average price of oats being the corn
principally grown in such County for the period
of seven years ending the first of November
1821 is $15.2\frac{1}{2}$ per Bunch
