

to have been the fact from the view books of the Proctor
which I have carefully examined and which I consider
fully to justify the addition I have made.

And I do further certify that the
average price of Wheat being the corn principally grown
in such County, for the period of seven years ending
on the first day of November one Thousand eight
hundred and thirty is one pound twelve shillings
and ten pence halfpenny per barrel.

Dated this 29th day of April 1834
