Sir  
I have Examined the accompanying  
Statement, and went into the Calculation as  
minutely as I possibly could - The approp-  
riation says the entire Composition payable  
out of the Parish of Kiltomas is £152-10-  
British of which

The Rector & Vicar gets	£100.0.0
Prebend of Kinsarra	18.0.0
Ecc <sup>l</sup> Com <sup>s</sup>	24.10.0
	<u>152.10.0</u>

I have marked (in Red Ink) on the Statement  
any Variance that I see in the Calculation  
but I find in the Ledger that Francis G. Knox  
(who Mr Hutchinson Represents) is charged  
with and has been paying yearly £3-7-6 as  
the Eccles<sup>t</sup> Com<sup>s</sup> portion of the Rent charge  
whereas I can only make it £2-18-1/2  
and I cannot find in any of the Books  
here
