

Messrs Bousoly and Ballissare supposed to be  
entitled to the remainder of said Tithes of the said  
Townland of Clonmuckin as lay Impropriators: but  
for time immemorial has not demanded or received  
any Tithes in said Townland — and I further certify  
that the average price of Oats, being the Corn generally  
grown in said parish is thirteen shillings and five  
pence per Barrel. Dated this 31<sup>st</sup> day of July 1833
