

Dublin June

30 June

My Lord

I enclose to you the Inclosures of the
Fifth composition set in form in the Parish
of Oldtown and I request your Grace's
sanction to the proposal I shall make
to the Parishioners which is this, that they
shall give me the sum of two hundred and
forty one pounds thirteen shillings

I have the honor to be my Lord your
very obedient servant

William Keble

I agree to the above on the lowest sum that
can be taken by the Vicar - upon the
condition only of its being British money
