My dear Willie - I can now safely assure you that I am on the eve of departure from Wat. Co. ere this letter reaches Troy. Va. My trunk box with all my goods & chattels will be safely stored I hope in 21 Garville Road. Rathgar. To be able to give you this information without danger of retraction will serve as excuse for my failure in not writing you sooner.

There is great bustle and turmoil in Wat. Co. & I am about to leave office early to-day
