

apply to the Court to dismiss  
our Petition. I therefore think  
it advisable to have an interview  
with Mr. Hayes, and I have  
appointed 4 of Tomorrow  
at Mount Pleasant  
to consult with him what is  
best to be done in the matter.

I would therefore request that  
you will call here previous to the  
above hour that you may suggest  
anything which may occur to you  
on the occasion -

Yours truly
