Dear Sir,

We have examined into
the several documents connected with
the proceedings taken against Mr. W. R.
Hynne for mortgage due to the Deans
Chabis of P. Patrick's Dist of Dunville
in P. Kins Parish, and it appears that
those proceedings were abandoned in consequence
of the information acquired by the late
Mr. Kellett being insufficient to enable
him to prosecute such proceedings with
effect. We consider that there would be
great difficulty in so far as in enforcing this
claim from the number of parties
representing the lands & from the great
difficulty there would be in ascertaining
them.
