Dear Sir

I keep the Bill of Costs for the Chapter
but I return that for the Vicar Choral.
The Embezzlement has been cleared, We lent
Our aid towards the recovery of the Property
but certainly they who get all the
advantages and enjoy the benefit at
present should meet the expenses
both legal and that which in all
justice should be considered for
Mr Lea who helped them so materially
in the recovery of such of such a sum
after so many years lapse. In fact
if any thing had happened to him
