Dear Sir

As Mr. Chittick has failed  
in his expectation of getting the Letter book  
made out at home. I now write to request  
you will have your copy put in progress &  
finished as soon as possible I will be an-  
swerable to you for the expense - You will  
also be kind enough to let me know as soon  
as it is ready to be compared that I may send  
my man of business to Monaghan for that  
purpose. If you can have Mr. Kope's  
Explanation ready at the same time  
it may save trouble, it is a document that  
Mr. K. is bound to furnish me with & which  
I must have - I send you on the other  
side
