

Parish.

And I do further certify that
the average price of wheat being the
corn principally grown in Wick County
for the period of seven years ending on
1st November 1830 thirty, is the amount
twelve shillings and the halfpenny per
bushel, as published in the Dublin
Gazette.

W. H. P. B. Esq.
Commissioner

Dated this 22nd
day of December
1833 thirty three
