

£60.1.3

1834

Sixty pounds to the Impresario, as a compensation for Tithes  
claimable by them as such —

And I do further certify that the average price of  
Wheat, being the Corn principally grown in such County  
for the period of seven years, ending the first day of

Nov<sup>r</sup> eighteen hundred and thirty, is one pound twelve

shillings per barrel — Dated this 6<sup>th</sup> day of Nov<sup>r</sup> 1834

Thos<sup>o</sup> DeParo

Commissioner

To

Nov<sup>r</sup> At: Fleury
