

We the Commissioners appointed under the Tithe Composition Act to appraise and assess in the Parish of Monastown in the County and Diocese of Kildare the sum of Fifty eight Pounds one Shilling Sterling (being the Amount of Composition agreed upon by the Parishioners assembled in Vestry with The Rev. Henry Hamilton Rector and Vicar of said Parish) equally on all lands in the Parish, have according to the best of our Judgment and Abilities viewed every farm and plot of ground, and have set forth the quality of land contained in each, as compared with the remainder of the Parish, and the gross amount of Acres, Roods, and Perches taken in all cases from actual Survey either in possession of the Land Lord, or occupying Tenant.

We have divided the arable land and Pasture into four qualities, charging the first quality at 3:1^d per Acre the second do a 2:9^d - the third at 1:7^d and the fourth do a Seven pence halfpenny Sterling per do. The Average price of Wheat for seven years next preceding 1828 one being 1-18-8¹/₂ per Barrel

Dated 1st Oct^r - 1828.
