

I found close by the Notice my Church Warden
had posted on the Chapel Door for the Vestry
a Paper signed by Langall declaring his
Protest, against any Proceeding that might
take place under sd Acts, and that he should
not be considered a Party consenting thereto. —

A similar Protest was also read by one
of his Lordships Tenants at the opening
the Proceedings of the Vestry. — His Lordship
is owner of the Manor of Castle Grace in my
Parish which Manor contains near thirteen
hundred Acres let in small Farms, yet only
three of his Tenants attended, and they
voted against the Composition. —

I have the Honor to be My Lord
Your Lordships Obedt Servt Wm Stephenson
Vicar of Tullagherton
