

We John Wilson of the Town of Londonderry and Robert Howard Nolan of the City of Londonderry Commissioners duly appointed and sworn under and by virtue of an Act made in the Fourth Year of the Reign of King George the Fourth entitled "An Act to provide for the establishing of Compositions for Tithes in Ireland for a limited time" to ascertain and fix a true and just composition for all Tithes arising, growing yielded, or payable within the Parish of Tully in the County of Donegal.

D^r Cornelius Henry Usher Rector of said Parish and to his successors as a Compensation for the Tithes claimed by him as such. The said Annual sum of Five Hundred and Ninety Pounds twelve shillings and eight pence *Shp.* being the just and fair proportion (according to our Valuation) of the sum of Eleven Hundred Pounds *Shp.* which sum of Eleven Hundred Pounds *Shp.* was agreed upon by special Vestry duly assembled, to be the sum to be paid to the said Rector out of the Two Parishes of Tully and Aughinish and which sum was accepted of and appointed to by the said Rector, the Bishop of the Diocese, and Trinity College as Patron.

And said Composition is to commence, and take effect, from the first day of November next, and to continue, and be in force, for the term of Twenty one years thence ensuing, and to be invariable, and not subject to any variation in amount, during the said Period, whatever the price of Corn may be, and we further certify that the average price of Oats (being the Corn principally grown in the Country) for the Period of Seven years ending the first day of November 1821 was 15¹/₂ of Barrel taken from the Dublin Gazette.
