

Dublin 10 Elg Place

6th August 1842

Dear Sir

We shall thank you to let us have with as little delay as you possibly can, a Copy of that part of the Tithe apportionment of the Parishes of Kiltinstown in the Diocese of Elphin as relating to the following lands viz.

Oreta Lisheen
Largow Grange
Mehana Culmow and Lisduff

These Lands are part of the Estate of our Client Sir Charles Coote and as they have always been exempt from Tithe the Tenantry have uniformly refused paying it - We consequently think that Sir Charles cannot now be legally called to pay Tithe Compositions - If you can afford us any material information on the subject We shall be happy to make remuneration

Edw Kenny Esq
Registrar of the Diocese
of Elphin

We remain
Dear Sir
very faithfully yours
