

Dear Sir

I send you the notice of the
Chairman of Chomantash Vestry of ~~my~~
their having appointed Mr. Neville —
you had better date the receipt of it —
to the 14th Inst

I found the Vestry for Inbred this day
w^d be illegal, in consequence of the Church-
warden all inadvertently altering or
correcting one of the list — so I could not
with safety treat with them — but it does
not signify as they w^d not I hear come
to any such terms as I could accept.

Yours truly
Lucas Bowler
